SAHARA AND SAHEL OBSERVATORY

GET ACCESS TO **GCF** RESOURCES "GREEN CLIMATE FUND"

INITIAL APPROVAL PROCESS FOR PROJECT PROPOSALS

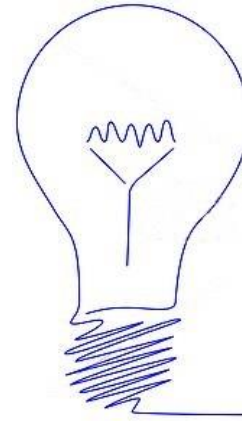

6-step Process

Launch of the call for proposals

*Call for
proposals*

OSS, as Regional Implementing Entity of the Green Climate Fund (GCF), is launching a call for proposals for access to the fund's resources, from 7th September to 31st December 2018.

Do you have a project idea that should contribute to low-carbon and climate resilient development ?

► OSS brings to you the possibility to access GCF resources !

Submission of applications

Who can apply?

You are :

- A government institution
- An association
- A research institute
- A regional organization
- An academic institution (University,...)
- A civil society organization (NGO,...)?

▶ *So, this call concerns you!*

Submission of applications

How to apply?

You are invited to present your ideas by filling in the **concept note** provided by the GCF
